Any NEW Business?

Coming Up Soon – Club Calendar

- **VE Test session – October 4**
- **ARES October 9 - Kensington Repeater 19:00**
 - ARES October 15 – In person at Clubhouse 19:00**
 - ARES October 16 – Kensington Repeater 19:00**
 - November 1 – NH ARES SET**
- **Lab Night – Oct 29 - TBD**
- **Public Service Opportunities**

Announcements

- **DXpeditions – K1RX at II9P in CQ WW SSB Oct.25-26**
- **Member License Upgrades**
- **Planned POTA events**

Lightning Rounds

NHQP – N1RP

QRP – K1RID

Upcoming Contests – KC1UKO

Web Site Updates – AJ1D

POTA/NHQP – K1TKT

Lightning Round – NH QSO Party Administration – N1RP

The Party's over, now
it's time to clean up this
mess....

And as the sponsors, we
get to do the cleaning

NH QSO Party Administration – what went well

Online submission of Cabrillo file worked as planned

- Logs saved on W1WQM.ORG (>110)
- File created to record each log submitted

Confirmation emails sent to log file submitter

- May end up in Junk/Spam folder
- Submitter notified of this when log is submitted

Python program to extract data from Cabrillo files

More participation from PCARC club members

NH QSO Party Administration - Challenges

- Logging software must calculate “Claimed Score” properly
 - Points awarded by number/type of contacts, number of counties, states, and DX
 - Latest versions of N1MM+ were updated ($\geq 1.01.10896$)
- Other logging software used – likely won’t have “Claimed Score” calculated properly
 - Older versions of N1MM+ ($< 1.01.10896$)
 - WA7BNM Web2Cabrillo 1.14
 - World Radio League v1.0
 - N3FJP's NEQP Contest Log (Out of Region) 4.3.8
 - WriteLog V12.71C
 - RUMlogNG (5.19.5) by DL2RUM
 - GenLog v8.52
- Logs still being submitted to email address used previously

NH QSO Party – to do list – can you help?

- Reconcile all Claimed Scores
- Rank scores by categories (~24 categories)
 - Fixed Single Op, Multi Single, Multi Multi
 - Portable Single Op, Multi Single, Multi Multi
 - Mobile Single Op, Multi Single
 - High/Low/QRP Power for each of these
 - In state / Out of State for each of these
- Determine winners for each category for each State/Province/DX
- Issue award certificates
- Continue to update web sites to remove previous email address used for submission
 - Generate auto-reply email with information on new submission process
- Rules could provide guidance on:
 - 'Approved' logging software
 - FT8 usage

Lightning Round

QRP & CW Cheap Fun

by Ed, K1RID
k1rid@yahoo.com
c: 978.771.6537

QRP: SOTA & CW

I choose $\leq 5W$ to sharpen my skills, focus on Antennas & Efficiency, work portable and because I'm cheap.

Antennas – The Science & Magic

- Simple wires
- Easy to experiment
- Build for efficiency

CW - Efficient & Affordable

- Get on the air for cheap
- Lots of helpful CW ops
- SOTA/POTA

Payoff: low power, simple gear, big fun—POTA, SOTA & /P

Return in 20 Minutes

Lightning Round - October Contests – KC1UKO

- STATE QSO Parties
 - Nevada QSO Party – Oct 11 03Z to 21Z Oct 12
 - Arizona QSO Party - Oct 11 15Z to 05Z Oct 12
 - Penn. QSO Party – Oct 11 16Z to 04Z Oct 12 and 13Z to 22Z Oct 12
 - South Dakota QSO Party – Oct 11 18Z to 18Z Oct 12
 - New York QSO Party – Oct 18 14Z to 02Z Oct 19
 - Worked All Germany – Oct 18 14Z to 02Z Oct 19
 - Illinois QSO Party – Oct 19 17Z to 01Z Oct 20
- Major WW Contests
 - CQ WW SSB – Oct 25-26 00Z to 2359Z

Plus many others. Checkout www.contestcalendar.com for more information.

Lightning Round -Website Updates – AJ1D

- Public Member Roster to be published Sunday
 - To opt out email web@w1wqm.org with your call sign and subject line: Member list opt out
- Home page updated so the main content is the list of news entries.
 - Entries will be added as members provide content.
 - Club events, lab nights, news, projects you want to highlight.
- Looking for volunteers to be involved with the website.
 - Primarily content authors. Have ideas, let's talk.

web@w1wqm.org

Lightning Round - POTA + NHQP – K1TKT

Goals

- POTA Ops/portable in all 10 counties
- Leverage POTA interest to increase NH QP QSOs
- Have fun

Results

- POTA: GRA, COO, CHE, HIL
- Portable: SUL, GRA, MER, BEL,
- Other: ROC, STR
- **Achievement: 9/10**
- Observation: most qsos were driven by POTA with few wanting county exchange
- **Achievement: Hell, yeah**

General Observations

- If your goal is to maximize NHQP score, then POTA ops does not help.
- Comments received are early indication that outside of the state, many may not have recognized that POTA Operators were participating in NHQP.
 - “CQ POTA AND NHQP {CALL}”
 - Spotting software if not using N1MM logger or no internet access?
- Park open hours curtail NHQP operating hours.
- Experimental beta test of POLO was a fail. Problem has been corrected will try again next year.

- Critical Success Factors for Maximum Joy –

- >Bring a friend (make him carry stuff)
- >Do it (easy)
- >Enjoy it (Look up, see the park, relish the pile ups, invite kids to try the radio)

Main Topic 1 of 2

WRTC 2026 Update

Mark Pride, K1RX
NA Fundraiser Lead

Team: N5OT, KY7M, K9CT, KO8SCA

Introduction

- Overview of WRTC 2026
- Brief History, Format and Mission
- Key Achievements
 - Site Selection & HQ Established
 - Initial Testing Completed
 - Sites
 - WRL Data Stream
- Need Your Help!

Brief History & Mission

World Radiosport Team Championship

- Celebrating the 10th WRTC Started in 1990
- All with Volunteers – Organizing Committee, Site setup, Rules, Standardized Equipment Acquisition, Logistics, IT
 - Over 500 volunteers at each event has been typical
 - A “Once-in-a-Lifetime” Experience
- Described as the “Olympics of Radiosport” (Amateur Radio Contesting) Occurs every 4 years

Past WRTC Country Metal Winners (partial list)

- 2022* – Italy
 - Gold - Ukraine
 - Silver – Germany
 - Bronze - Croatia
- 2018 – Germany
 - Gold – Lithuania
 - Silver – Germany
 - Bronze - USA
- 2014 – Boston, USA
 - Gold – USA
 - Silver – Slovakia
 - Bronze - Germany
- 2010 – Russia
 - Gold - Russia
 - Silver – Estonia
 - Bronze - USA

* Actual 2023 Pandemic

Basic Format

- WRTC is a radio contest event, designed to provide a platform for high-achieving ham radio contesters to compete on a **level playing field** in the **same geographic region** using **identical antennas, output power, subject to the same radio propagation**
- Think Field Day – off grid and every station is the same
- Selection Process – 3+ year qualification period
 - If you operated any of the 15 recognized contests, you are in the running
 - Over 6000 calls found & Results captured – find your call on the WRTC2026 web site <https://www.wrtc2026.org/qualification-standings/>

Basic Format

- Rules and Selections set by Host Country – Metal Awards Gold, Silver, Bronze plus special awards
- Participants: Team Leader, Team Mate, Referee, Judges
 - Team brings their own radio equipment
- Unique Call Signs for event
- 40+ countries represented

Our Mission

- Publicize Radiosport World Wide
 - Inside and outside of amateur radio
 - An aspect of our multi faceted hobby that brings everything together – “Ultimate Gaming”
 - Multi Tasking – Logging, Propagation, Internet data, antenna and equipment performance, strategic and tactical planning
- Select International locations to promote broader experiences – participants, spectators

Our Mission

- Promote advances in technology
 - Teams – operating skill and cooperation
 - Scoring, Logging, Real time data collection
 - Spectator viewing and education
 - Encourage growth with youth and young adults
 - Expand interest in under-represented regions

The perennial question: How do we find identical locations?

**East
Anglia!**

**I'll level with you - I truly love Britain's
flat landscapes**

📷 Norfolk shouldn't play down how flat it is, says our writer. Halvergate Marshes in the Broads pictured. Photograph: Loop Images/Alamy

Terrestrial studies, Google maps, Topo maps

Found It! 15,000 acres of farmland

EUSTON
ESTATE

Typical Site Layout

Site Separation – No closer than 500 M

Support Team

Generator

Competitors,
Referee

Antennas 80-10 M

90 Minute setup time

Picture source : M0DXR, G4BUO

How do we verify Suitability of Site?

- HFTA or similar tools to verify terrain in key directions
- SDR plot & recording to look for noise
 - Short term
 - 24 hour survey
 - Levels set for open bands
- Minimum Acceptable 4G data throughput or greater

Site testing

- Representative stations set up for testing during the IARU Contest in July 2025 using the official antennas (5 stations)
- Train the Trainer – site setup, antenna installation, generator
- Signal reports from the Reverse Beacon Network (RBN) used to *help* verify that the sites perform equally well (Data collected)
- Logs from the testing made public so competitors can begin to develop their operating strategy
- Any sites that are “too loud” or “too weak” or that have noise will not be used

UPDATE

Summary (as of October 1, 2025)

- All Qualifying events complete
- Test event completed - July IARU HF Championship 2025
- Invitation Letters to Team Leaders now sent – 48 of 50 Team Leaders accepted, Awaiting Confirmations– Official List announced soon, Referee's now selected.
- Local UK Schools Invitation – Wed/Fri (Pre/Post) education event
- Two HQ stations will also support YOTA team and Spectators
- Live Streaming – Continuous reporting (24 hours)
- NEW Brochure – Describes entire event
<https://www.wrtc2026.org/hq-info-and-itinerary/>

IT Platform World Radio League

- WRL are providers of the platform to collect QSO data from all 50 stations
- NEW Live Commentaries during operating period (24 hours) planned
- Live stats and comparisons are planned to be available by viewing this online
- E Sports feel is entertainment objective
- WRL completed logger interface (all popular logging programs)

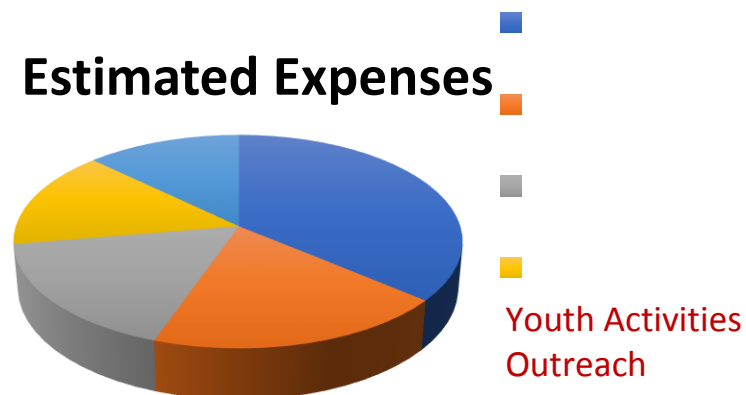

Current Challenges

- Budget Items – Funding Needs
- Financial Gap
- Challenge – Running out of Time
 - Less than a year to go!

***Financial Gap**

What can you do from here?

July 8-14, 2026

- Better than watching on TV – “audience participation”
- Our Olympics has a world wide impact – sets a high goal for new and experienced testers
- Creates a level of motivation unequalled anywhere for anyone interested in contesting
 - **Watch the Opening and Closing Ceremonies**
 - **Work the WRTC stations during the contest**
 - **Support your favorite team**
 - **Performance monitoring in real time and comparison with other competitors via WRL live stream**
 - **FIRST TIME - Live commentary, Interviews, Competitor's Stories**
- For the serious tester – it’s a lifetime achievement goal

At this distance, you can still be apart of the action!

Call to action

- Join us in making a difference
- Am asking for your donation Today!
 - As an Individual, Club, Tent Sponsorship

Your Donation supports logistics, facilities, lodging, procurement of materials, live streaming, support youth development, helps establish the highest level of operator skill, supports the host country post event goals
– ***Help us close the gap!***

Leading up to the event....

WRTC UK Supporter Coin Program
Don't forget to get yours now on
www.wrtc2026.org/donate/

2025 Silver Coin

Tent Sponsorship

An individual, group of individuals, In Memorial or clubs can sponsor a tent for \$1500

Only 10 tents of 50 remaining

Banners of sponsors shown at the actual operating site and on the website! An excellent way to share and show support

Go to <https://www.wrtc2026.org/sponsors/tent-sponsors/> are still available!

Typical Club Donation Levels

- Larger size clubs - \$1000
- Mid size, small clubs - \$500
- Clubs or Groups that wish to do more
 - Tent Sponsorships \$1500
 - Benefits: Web Publicity, Banner at Tent Location
- ***Club Budget Consideration: Occurs Once Every 4 years!***

World Wide Radio Operators Foundation

- Key partner – Manage funds
- Handle Donations over \$1000
- IRS-recognized 501(c)(3) organization
- Checks, credit cards, and PayPal are all accepted. See wwrof.org
- Donor-Advised Fund
- Hold funds for the next WRTC

Main Topic 2 of 2 - ARES – KC1ILT

Amateur Radio Emergency Service

When All Else Fails[®]

47 CFR 97.1(a)

Recognition and enhancement of the value of the amateur service to the public as a voluntary noncommercial communication service, particularly with respect to providing emergency communications.

ARES

An ARRL program offering the public and its partners trained, federally licensed operators who are skilled in a wide range of effective emergency/disaster communications techniques and who are committed to supporting our partners' missions in service to the public.

ARES Mission Statement:

ARES strives to be an effective partner in emergency/disaster response, providing the citizenry and public service/safety partners with communications expertise, situational awareness, and capabilities of professional communicators.

ARRL/ ARES SERVED AGENCIES & PARTNERS

-
- + American Red Cross
-
- + Association of Public-Safety Communications Officials-International (APCO-International)
-
- + Boy Scouts of America
-
- + Citizen Corps (Department of Homeland Security)
-
- + Civil Air Patrol (CAP)
-
- + Federal Emergency Management Agency (FEMA)
-
- + National Volunteer Organizations Active in Disaster (NVOAD)
-
- + REACT International Inc.
-
- + Salvation Army & SATERN
-
- + SKYWARN (National Weather Service)
-
- + Society of Broadcast Engineers (SBE)
-
- + United States Power Squadrons
-
- + Quarter Century Wireless Association, Inc.
-
- + SAFECOM
-

ARES membership consists of:

Amateur radio operators who voluntarily registered their qualifications and equipment with their local ARES leadership

And a willingness to use their skills and equipment to provide voluntary communications during emergencies

ARES members are NOT first responders!

Nationally ARES is broken down into sections based on the ARRL sections

Here in new England that's:

Connecticut- CT

Eastern MA- EMA

Maine- ME

New Hampshire- NH

Rhode Island- RI

Vermont- VT

Western MA- WMA

NH ARES SECTION LEADERSHIP

- NH ARES Section leadership consists of:
 - Section Manager
 - Section Emergency Coordinator
 - Section Assistant Emergency Coordinators
 - Section Traffic Manager
 - Public Information Officer
 - Section Net Manager

New Hampshire ARES

Attachment E

- 1 North Country
- 2 West Central
- 3 Mt. Washington Valley
- 4 Central NH
- 5 Strafford County
- 6 Capitol Region
- 7 Cheshire County
- 8 Greater Nashua
- 9 Greater Manchester
- 10 Western Rockingham
- 11 Eastern Rockingham

NH ARES GROUP LEADERSHIP

Emergency Coordinator (EC)

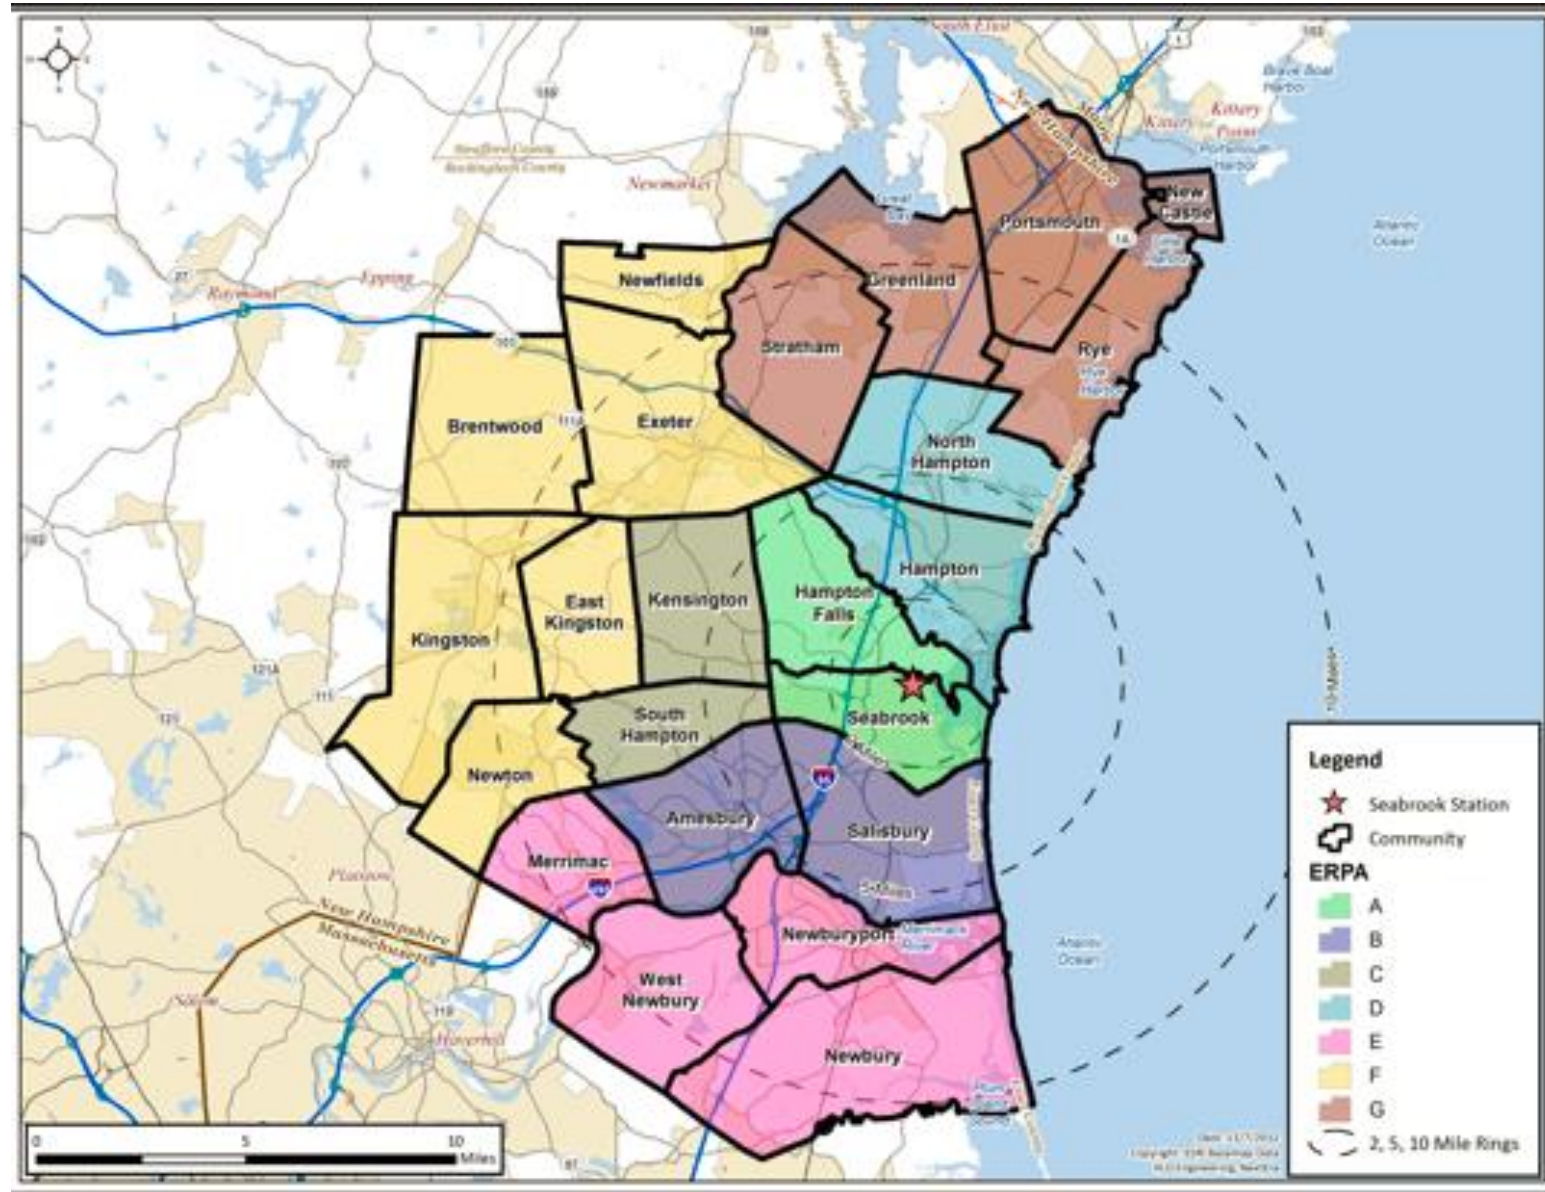

Appointed by the Section Emergency Coordinator
to oversee each group.

Assistant Emergency Coordinators as needed to
assist the EC in organizing groups' activities and
training.

Eastern Rockingham County Communities

Brentwood - East Kingston – Exeter – Greenland – Hampton
Hampton Falls – Kensington – Kingston – Newcastle
Newfields - Newington – Newmarket – Newton
Newton Junction - North Hampton – Portsmouth
Rye – Seabrook - South Hampton - Stratham

EASTERN ROCKINGHAM COUNTY MAP

EASTERN ROCKINGHAM COUNTY ARES

65 registered members

12 actively participating

Over 90 hours of participation in September

Monthly Training

- Test of state C&C & EOC radios
- Third Wednesday In-person Training

Weekly Training Nets

- Remaining Thursdays on Kensington or Northwood Repeaters

20. Additional Precautionary/Protective Action Recommendations:

- a. None
- ☒ b. All Follows:
- ☒ 1. Close STATE parks, recreational areas, and beaches in EPC.
 - ☒ 2. Recommend close LOCAL parks, recreation areas, and beaches in EPC
 - ☒ 3. Establish 10 mile Marine Safety Zone around Seabrook Station
 - ☒ 4. Establish 10 mile, 12,000 ft. high No Fly Zone zone around Seabrook Station
 - ☒ 5. Reel in Pathway Travel through EPC
 - ☒ 6. Livestock Advisory throughout EPC.
 - ☒ a. Cover Feed and Water Sources
 - ☒ b. Shelter Livestock as possible
 - 7. Drinking Water Advisory
 - 8. Other:
 - 9. Other:

21. Additional Information:

NOT: Prolonged loss of all utility and all waste AC power in emergency losses AND Restoration of at least one AC emergency bus in less than 4 hours is not likely. DR Core Cooling (C) CSP PSD entry conditions met

SHOOT will lockdown the Personnel/NP/Outage Bldg and lockup the Hampton River Bridge. Governor has approved the status of facts for evacuation purposes.

For stabilization purposes, an Emergency Declaration has been requested from FEMA. FEMA Region 1 BART has arrived in NH.

How Do We Do It?

TRAINING ACTIVITIES

Passing Voice Messages

- NTS Radiogram
- ICS213 Radio Message Form
- Seabrook 300B Reporting Form

Passing Digital Messages

- NBEMS (Fldigi Software)

A typical NH ARES station consists of:

2 Meter VHF Radio

- Dual Band HT or Mobile (preferred)
- Backup Power Source (Generator, Battery/
Solar)
